The new range gives off a sense of class and sophistication to the consumer, that enjoys fresh and easy drinking style wines. This consumer pairs the gossips range with a fresh antipasto, following a beautiful home cooked meal.

## Shiraz

Summer started with cool mornings and nights, with slow ripening producing excellent fruit with no diseases.

Grapes are specially selected from small parcels of vines in South Eastern Australia. The vines are carefully cultivated to our specifications, with low yields producing intensely-flavoured grapes of outstanding quality.
